

Keighley Association of Engineers (2019 syllabus)

Visit to : **Bolton Steam Museum, Bolton**
Date: Sunday 27th October 2019
Start time: 12.00 noon
Location: see below

Dear members and guests,

The Keighley Association of Engineers is pleased to announce our **October** event in our 2019 syllabus, a visit to **Bolton Steam Museum, Bolton – this is a full steaming day.**

With over 25 different engines many in steam this is a great opportunity for you to explore this extensive collection.

You can see much more about the Museum on their website:

Bolton Steam Museum: <https://www.nmes.org/>

Address: Bolton Steam Museum, Mornington Rd, Bolton BL1 4EU

The museum is situated approximately 1.5 miles NW of Bolton town centre on Mornington Road. Look for the large Morrisons Supermarket at the junction of Mornington Road and Chorley Old Road (B6226) and go into the supermarket car-park.

The museum is in the large victorian cotton warehouse building next to the petrol station.

Parking for the museum is free anywhere on the supermarket site.

You can eat at the Museum cafeteria or at the Supermarket.
